FC United of Manchester
Commercial Brochure
2019/20
Remember the buzz on the way to the ground. Remember European nights. Remember when you felt a connection between the fans and the players. Remember singing through half-time. Remember singing all the more when we were losing. Remember singing. Remember when you were part of what was going on instead of observing it. Remember when you felt bonded to everyone around you even though you were a strange mix. Remember believing that anything was possible.

Imagine all of that and knowing you own a share in it and that throughout the week your club makes a difference in the heart of communities that need a helping hand.

Consider yourself FC
FC United of Manchester is a football club with one voice and one principal goal – to give football back to the supporters and the community. Founded in 2005, FC is a not-for-profit organisation, owned and run by its fans.

In our short history we have become one of the most talked about clubs in non-league football, generating national and international headlines. Average matchday attendance for 2018/19 was 2,000 and club membership currently stands at 2,500. Our website receives more than 6 million hits a year. We have over one million followers on social media whilst our teams are covered by our own dedicated online television and radio stations.

We play at Broadhurst Park, which we opened in 2015 and is the first stadium in the country to be built by a supporter-owned club. It has a stunning multi-purpose function room overlooking the main pitch, plus further floodlit 4g pitches, grass pitches and community facilities. It is home to our men’s first, under 21, under 18 and academy teams as well as our all-conquering women’s team. We have over 100,000 visits to the stadium each year.

There are a wide range of sponsorship and advertising opportunities to meet commercial and community objectives. Our packages are structured to suit a variety of needs and budgets and can include our acclaimed matchday dining offerings. We offer the opportunity for businesses, organisations and individuals to support a truly unique football club where fans and the community come first.

FC in the Community

FC takes pride in the positive impact the Club is having within the North Manchester community. The Club’s community work and involvement ranges from coaching in schools to working with vulnerable adults and providing community sport for a wide range of groups. The Club employs a Sports Development Manager, a Community Liaison Officer and a Community Development Officer. Our community sports programme based at Broadhurst Park include Moston Juniors FC, our highly regarded Academy, FC United PAN Disability Football Team and FC United Walking Football. Our none sport community related work includes Youth United Day, help for the homeless through ‘Big Coat Day’ and ‘Christmas Comforts’, Festival of Ageing, Sporting Memories and our recently established Community Allotment.

If you wish to learn more about our community work, become involved or sponsor part of the programme please contact: community@fc-utd.co.uk
