Big Coat Day

FC United v Bradford Park Avenue
Saturday January 16th KO 3pm Gigg Lane, Bury

Last winter 5,000 "excess" deaths occurred in the North West, many because of lack of heating and warm clothing. Every half hour, the impact of the cold winter months took someone's life.

FC United hopes to play its part in helping the homeless and destitute through the winter months with its second Big Coat Day of the decade.

On Big Coat Day, people are asked to bring their old winter clothing down to the forecourt at Gigg Lane Stadium in Bury where the Salvation Army and the Boaz Trust will load the clothing into vans to take away and distribute to those most in need.

The collection will take place from 1pm and be accompanied by tunes from a Salvation Army band. It will finish at 3pm when 3,000 fans dressed in their own Big Coats go inside the stadium to roar on FC United playing their January 16th fixture against Bradford Park Avenue.

So come down, enjoy the game and bring an extra coat

Admission: For those who wish to attend the game itself, the cost is just **£7.50** (**£5** for over 60s, **£2** for under 18s). Pay on the gate.
