Championship Weekend April 12th and 13th 2008

Wear your colours and cheer the reds on towards another Championship.

On April 12th FC United face Lancaster City at Gigg Lane. It is our last Saturday home match of the season and will be another crucial match in our push for a third consecutive league title and we are promoting this match as a **Reds Re-United Day**.

Come to the ground and support the team against Lancaster City with a wall of noise and non-stop singing. Help build the atmosphere of celebration after another tremendously successful season by wearing your colours – be they **FC or United**, stand with family and friends and get behind the team. Get the atmosphere started for a weekend that will hopefully see two big wins in two important title races.

We want FC supporters to make an effort to bring in a big crowd. Contact your friends who used to attend but haven't been for a while, your friends who have been meaning to give it a try but haven't got round to it. Bring them along, as many of them as possible.

Let's get everyone in the championship mood we'll roar FC to victory and then take that spirit on to Sunday to support United against Arsenal.
