Pike Fold Golf Club was founded in 1909 on the site of Tweedale Hill Farm, which lay between the present Plant Hill Road & Crab Lane, Blackley.

In 1920 the club moved to Henshalls Farm, off Cooper Lane, where it remained until 1998.

In that year the club was forced to close to accommodate the M60 motorway.

The present course was opened in 1999 on Back O'th Moss Farm and is maturing into a fine nine hole course renowned for its excellent USGA greens.

The new 18 hole Par 71 course opened in the Spring of 2008 and has since received excellent reviews. Pike Fold Golf Club celebrated its centenary year in 2009.

Unleash the Pringles and dust of those clubs, fore two great causes!
