HEADLINE ACT **STEVE SHANYASKI**

BBC north west comedian of the year finalist and past Holsten Pils comedian of the year winner, Steve tops the bill. Leaving behind a mind numbing office job for a career in comedy, he's never looked back.

A very charismatic and silly performer with a natural talent for spinning yarns, a fertile imagination and skilled musical background, his act combines as many elements as Steve can muster. Catch this act while you can.

"Like a cross between Eddie Izzard & Peter Kay - with a guitar!"

"The key to his act is that his vision is a delightfully skewed one."

FIRST ACT **DOMINIC WOODWARD**

Former City Life comedian of the year finalist and voted best breakthrough act at the north west comedy awards. Has headlined at Jongleurs, The Comedy Store and countless other venues right across the country. His wealth of material ranges from turkish holidays to martial arts to Mcdonalds.

"Effortless delivery, Dominic has a keen eye for observational comedy and genuine funny bones."

COMPERE **DES SHARPLES**

An indescribable 'star quality' that separates the jobbing comedian from the naturals, Des is a naturally funny, amiable Comedian. A skilled story teller is on offer here with an uncanny eye for detail.

"One of the city's finest 'unknown' acts"

A massive line up.
