We're happy to announce another
fantastic FC United Comedy Night.

3 Fantastic Acts...

Headline **Martin Mor**

With over 25 years experience as a professional performer, Martin has established himself as one of the UK's most popular and in-demand comedians. "Martin is the act that has influenced me the most, the UK comedy circuit would not be the same without him." FRANKIE BOYLE. "Extremely funny" PETER KAY. "Explosive visual comedian who should carry a government health warning" CITY LIFE.

Opener & MC **Chris Brooker**

A regular performer at the nation's finest comedy clubs, Chris can charm audiences of every sort, size and background. Dubbed comedy's ginger Viking by a promoter, he really is a larger than life character.

Supporting Act **Ben Schofield**

With countless performances in top northern venues, residencies at several established and respected comedy nights and several television appearances already under the considerable girth of his belt, you'd be advised to come and join him for the ride.
