

MAKE A DIFFERENCE WEEK

IT'S TIME FOR OUR NEW GROUND

Money is tight at the moment for a lot of people but we all want to see FC in our own new shiny ground as soon as possible.

So how about giving a small amount of your time during Make A Difference Week to make a big difference to building FC United's new ground? We need you to give an hour or two of your time (or more if you can spare it) to help raise money for the building of our new ground.

Some examples:

- Do a job for friends, family or neighbours : Gardening, Car Washing, Painting.
- Do a job in your own time (a 'foreigner') If you have a trade - Plumber, Plasterer, Electrician, Mechanic etc
- Bake some cakes/snacks to sell to colleagues at work
- Organise a coffee morning
- Sell something you don't need on E-bay
- Get sponsorship to take part in a local sponsored event

These are just a few examples of things any of us could all potentially do, with a little bit of effort but little or no financial cost to us. Also it gives us a chance to talk to explain to new people what FC is all about and our plans for the Community stadium in Moston.

If you can't do anything during Make A Difference Week (7th - 14th April) don't worry, just give you time and raise the money when you can.

Please see what you can do to raise a bit of money and then send it in with a covering note saying how you raised it to:

Development Fund, FC United, Hope Mills,
113 Pollard Street, Ancoats,
Manchester, M4 7JA

**IT'S TIME FOR OUR NEW GROUND
SO GIVE A LITTLE TIME FOR IT.**
